

**SAM 022095****G&N Type MPS2-R300**

|                     |                   |
|---------------------|-------------------|
| <b>Group</b>        | Bell-disc grinder |
| <b>Manufacturer</b> | G&N               |
| <b>Type</b>         | MPS2-R300         |
| <b>Year</b>         | 2002              |

|  |            |
|--|------------|
| Throwing wheel diameter                | 175 mm     |
| Circular table diameter                | 160 mm     |
| Grinding height over table             | 170 mm     |
| Grinding height over<br>Magnetic chuck | 95 mm      |
| Max. work piece diameter               | 300 mm     |
| Table speeds:                          |            |
| from                                   | t/min      |
| up to                                  | 30 t/min   |
| Grinding spindle speeds                | 2870 t/min |
| Vertical adjustment rough              | 165 mm     |
| Vertical adjustment fine               | 12 mm      |
| Voltage 50 Hz 3x                       | 400 Volt   |
| Total power required                   | 3 kVA      |
| Machine's weight about                 | 560 kg     |
| Overall dimensions machine:            |            |
| Length                                 | 950 mm     |
| Width                                  | 865 mm     |
| Height                                 | 1730 mm    |

**Various accessories:**

Preparation for coolant device
