

**SAM 021646****AGATHON Type 150 A**

**Group** Tool grinding machine  
**Manufacturer** AGATHON  
**Type** 150 A

|                              |            |
|------------------------------|------------|
| Grinding wheels:             |            |
| Diameter                     | 150 mm     |
| Width                        | 20 mm      |
| Bore                         | 20 mm      |
| Spindle speeds:              |            |
| up to                        | 2500 t/min |
| Tool orthogonal clearance    |            |
| max.                         | 26 °       |
| Clamping range of the tools: |            |
| Width                        | 32 mm      |
| Height                       | 32 mm      |
| Voltage 50 Hz 3x             | 380 Volt   |
| Power                        | 1.0 CV     |
| Machine's weight about       | 300 kg     |
| Overall dimensions machine:  |            |
| Length                       | 820 mm     |
| Width                        | 564 mm     |
| Height                       | 1215 mm    |
| <b>Various accessories:</b>  |            |
| Inclinable tool holder       |            |
| Coolant system               |            |
| Lamp                         |            |
