

**SAM 020879****TORNOS Type MULTIDECO 20/6**

|                       |                                 |
|-----------------------|---------------------------------|
| <b>Group</b>          | CNC Multi-spindle turning lathe |
| <b>Manufacturer</b>   | TORNOS                          |
| <b>Type</b>           | MULTIDECO 20/6                  |
| <b>Controller CNC</b> | PNC-DECO FANUC                  |
| <b>Year</b>           | 2001                            |

|                                            |            |
|--------------------------------------------|------------|
| Number of axis total                       | 18         |
| Number of cross slides                     | 6          |
| Plain turning slide number                 | 5          |
| Longitudinal carriage way                  | 160 mm     |
| Number back spindle                        | 1          |
| Capacity round bar                         | 5-20 mm    |
| Workpiece length max.                      | 100 mm     |
| Spindle speeds:                            |            |
| stepless                                   |            |
| up to                                      | 6000 t/min |
| Production capacity                        | 45 pce/min |
| Voltage 50 Hz 3x                           | 400 Volt   |
| Spindle power                              | 15 kW      |
| Total power required                       | 43 kVA     |
| Machine's weight about                     | 8500 kg    |
| Overall dimensions machine:                |            |
| Length                                     | 3500 mm    |
| Width                                      | 1600 mm    |
| Height                                     | 1950 mm    |
| <b>Various accessories:</b>                |            |
| Bar loader number of bars                  | ROBOBAR    |
| Type                                       | MSF 522/6  |
| Coolant system                             |            |
| Oil mist extractor                         | ELBARON    |
| Chip conveyor                              |            |
| Pick-up spindle_x000D_                     |            |
| Spindle stop device                        | °          |
| Lamp                                       |            |
| Status light                               |            |
| Fire extinguishing system (without bottle) |            |
