

**SAM 018809****JUNG Type JA 600-C**

|                       |                     |
|-----------------------|---------------------|
| <b>Group</b>          | CNC Surface grinder |
| <b>Manufacturer</b>   | JUNG                |
| <b>Type</b>           | JA 600-C            |
| <b>Controller CNC</b> | SIEMENS             |

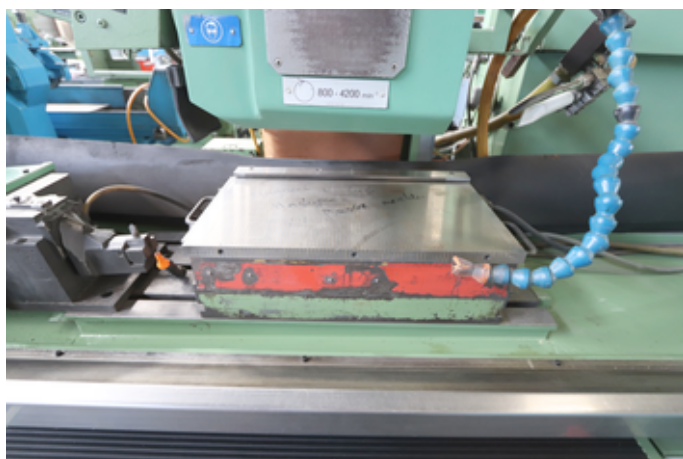

|                                                   |            |
|---------------------------------------------------|------------|
| Table length                                      | 600 mm     |
| Table width                                       | 200 mm     |
| Longitudinal travel (X-axis)                      | 600 mm     |
| Cross travel (z-axis)                             | 280 mm     |
| vertical travel (Y-axis)                          | 370 mm     |
| Max. distance from table<br>to spindle centreline | 500 mm     |
| Table load max.                                   | 150 kg     |
| Grinding wheel:                                   |            |
| Diameter                                          | 300 mm     |
| Width                                             | 32 mm      |
| Bore                                              | 76 mm      |
| Grinding wheel speeds:                            |            |
| from                                              | 800 t/min  |
| up to                                             | 4200 t/min |
| Table speeds:                                     |            |
| stepless                                          |            |
| from                                              | 1 m/min    |
| up to                                             | 24 m/min   |
| Voltage 50 Hz 3x                                  | 400 Volt   |
| Grinding spindle motor                            | 10 kW      |
| Total power required                              | 12 kVA     |
| Machine's weight about                            | 2300 kg    |
| Overall dimensions machine:                       |            |
| Length                                            | 2270 mm    |
| Width                                             | 1500 mm    |
| Height                                            | 1850 mm    |

**Various accessories:**

|                              |        |
|------------------------------|--------|
| Coolant system               |        |
| Paper filtration system      |        |
| Electrical magnetic chuck    |        |
| Length                       | 450 mm |
| Width                        | 240 mm |
| Redressing device            |        |
| Wheel dresser on CNC table   |        |
| Set of flanges               |        |
| Splash guard                 |        |
| Electronic hand held control |        |
