

**SAM 020879****TORNOS Type MULTIDECO 20/6**

|                       |                                                                         |
|-----------------------|-------------------------------------------------------------------------|
| <b>Group</b>          | CNC Multi-spindle turning lathe                                         |
| <b>Manufacturer</b>   | TORNOS                                                                  |
| <b>Type</b>           | MULTIDECO 20/6                                                          |
| <b>Controller CNC</b> | PNC-DECO FANUC                                                          |
| <b>Year</b>           | 2001                                                                    |
| <b>Youtube video</b>  | <a href="https://youtu.be/j6s-4Xs2SNM">https://youtu.be/j6s-4Xs2SNM</a> |

|                             |            |
|-----------------------------|------------|
| Number of axis total        | 18         |
| Number of cross slides      | 6          |
| Plain turning slide number  | 5          |
| Longitudinal carriage way   | 160 mm     |
| Number back spindle         | 1          |
| Capacity round bar          | 5-20 mm    |
| Workpiece length max.       | 100 mm     |
| Spindle speeds:             |            |
| stepless                    |            |
| up to                       | 6000 t/min |
| Production capacity         | 45 pce/min |
| Voltage 50 Hz 3x            | 400 Volt   |
| Spindle power               | 15 kW      |
| Total power required        | 43 kVA     |
| Machine's weight about      | 8500 kg    |
| Overall dimensions machine: |            |
| Length                      | 3500 mm    |
| Width                       | 1600 mm    |
| Height                      | 1950 mm    |

**Various accessories:**

|                                            |           |
|--------------------------------------------|-----------|
| Bar loader    number of bars               | ROBOBAR   |
| Type                                       | MSF 522/6 |
| Coolant system                             |           |
| Oil mist extractor                         | ELBARON   |
| Chip conveyor                              |           |
| Pick-up spindle_x000D_                     |           |
| Spindle stop device                        | °         |
| Lamp                                       |           |
| Status light                               |           |
| Fire extinguishing system (without bottle) |           |
