

**SAM 022796****SCHAUBLIN Type 102 TO**

**Group** Toolmakers lathe  
**Manufacturer** SCHAUBLIN  
**Type** 102 TO

|                             |             |
|-----------------------------|-------------|
| Centre height               | 102 mm      |
| Distance between centres    | 375 mm      |
| Swing over cross-slide      | 120 mm      |
| Swing over bed              | 200 mm      |
| Inner taper            type | 20 W        |
| Spindle speeds:             |             |
| number (steps)              | 12          |
| from                        | 45 t/min    |
| up to                       | 2'800 t/min |
| Step-down gear              | 1:5         |
| Voltage 50 Hz 3x            | 380 Volt    |
| Spindle motor               | 0.5 CV      |
| Machine's weight about      | 300 kg      |
| Overall dimensions machine: |             |
| Length                      | 1'000 mm    |
| Width                       | 900 mm      |
| Height                      | 1500 mm     |

**Various accessories:**

|                                                    |         |
|----------------------------------------------------|---------|
| On work bench:                                     |         |
| Working bench:                                     |         |
| Length                                             | 2000 mm |
| Width                                              | 800 mm  |
| Height                                             | 900 mm  |
| Rear drive                                         |         |
| Drawer(s)                                          | 3       |
| Driving system for milling and grinding attachment |         |
| Belt-tensioning device for milling/grinding att.   |         |
| Quick closing attachment                           |         |
| Set of collets                                     |         |
| Set of grinding wheels                             |         |
