

SAM 022811

CHRISTEN Tipo 2-32

A green industrial lathe machine is shown in a workshop. The machine has a large, heavy-duty frame with a green-painted metal body. It features a prominent headstock on the left and a tailstock on the right, connected by a bed. A large, adjustable tool rest is mounted on the bed. The machine is positioned on a concrete floor, and various workshop items are visible in the background.

Diametro min. di foratori	2.0 mm
Diametro massimo di foratori	32.0 mm
Angolo acuto min.	60 °
massimo	180 °
Diametro della mola abrasiva	150 mm
Larghezza della mola	40 mm
Foratura mola abrasiva	50 mm
Giri della mola:	
fino	2800 t/min
Collegamento 50 Hz 3x	380 Volt
Potenza	1.00 CV
Peso della macchina circa	450 kg
Dimensioni macchina:	
Lunghezza	800 mm
Larghezza	750 mm
Altezza	1300 mm
