Toolmakers lathe  
SCHAUBLIN 102N-80 Fagor  
FAGOR

### Technical data

|                              |          |
|------------------------------|----------|
| Centre height                | 102 mm   |
| Distance between centres     | 375 mm   |
| Swing over cross-slide       | 120 mm   |
| Swing over bed               | 200 mm   |
| Inner taper type             | 35 F     |
| Voltage 50 Hz 3x             | 380 Volt |
| Spindle motor                | 0.5 HP   |
| Machine's weight about       | 350 kg   |
| Overall dimensions machine:  |          |
| Length                       | 1500 mm  |
| Width                        | 700 mm   |
| Height                       | 1500 mm  |
| Various accessories:         |          |
| Pneum. quick closing attach. |          |
| Cross slide CNC              |          |
