

Inventory number: 22867

Universal milling machine  
EMCO FB-3

### Technical data

|                                    |              |
|------------------------------------|--------------|
| Table length                       | 600 mm       |
| Table width                        | 180 mm       |
| Number of T-channels               | 4            |
| Longitudinal travel (X-axis)       | 300 mm       |
| Transversal travel (y axis)        | 200 mm       |
| Vertical travel (z axis)           | 350 mm       |
| Spindle stroke                     | 45 mm        |
| Table load max.                    | 50 kg        |
| Spindle speeds:                    |              |
| number (steps)                     | 6            |
| from                               | 80 rpm       |
| up to                              | 2200 rpm     |
| Taper in spindle:                  | SK 30        |
| Swivel range Vertical milling head | +/-90 °      |
| Rapid traverse:                    | 12 m/min     |
| Voltage 50 Hz 3x                   | 380 Volt     |
| Spindle motor                      | 1.1 / 1.4 kW |
| Machine's weight about             | 500 kg       |
| Overall dimensions machine:        |              |
| Length                             | 1500 mm      |
| Width                              | 1150 mm      |

|                                 |            |
|---------------------------------|------------|
| Height                          | 1550 mm    |
| Various accessories:            |            |
| Digital readout number of axis: | 3          |
| Manufacturer                    | HEIDENHAIN |
| Coolant system                  |            |
| Boring head                     |            |
| Collet holder                   |            |
| Set of collets                  |            |
| Set of toolholders              |            |
| Drill chuck                     |            |
| Tool storage                    |            |
| Lamp                            |            |
